
PART 12A – Andhra Pradesh Current Affairs (Last 6 Months)

1. Andhra Pradesh Budget 2026–27 ★ ★ ★ ★ ★

Key Points

- Andhra Pradesh presented the **2026–27 State Budget** with a strong emphasis on **capital expenditure, infrastructure, welfare, agriculture, education, health, irrigation, and energy**. ([The New Indian Express](#))
- Continued focus on **Amaravati, Polavaram**, industrial growth, and employment generation. ([The New Indian Express](#))

Remember

- Budget → Infrastructure + Welfare + Capital Development

Possible MCQs

- Budget year
 - Priority sectors
 - Major infrastructure allocations
-

2. Amaravati Capital Development ★ ★ ★ ★ ★

Key Points

- **Amaravati** has been reaffirmed as the **sole capital** of Andhra Pradesh through the Andhra Pradesh Reorganisation (Amendment) Act, 2026. ([The Economic Times](#))
- The government aims to complete **Phase-I infrastructure by 2028**. ([The Economic Times](#))
- The legislation is intended to revive stalled infrastructure projects and restore investor confidence. ([The Economic Times](#))

Remember

- Sole Capital → Amaravati
- Phase-I Target → 2028

Possible MCQs

- Official capital
 - Target completion year
 - Purpose of the Amendment Act
-

3. Polavaram National Project ★ ★ ★ ★ ★

Key Points

- Polavaram continues as a **National Project** on the **Godavari River**. ([Wikipedia](#))
- The state government has targeted **2027** for project completion. ([The Economic Times](#))
- The Centre released additional financial support for project execution. ([YouTube](#))

Remember

- River → Godavari
- Status → National Project
- Target → 2027

Possible MCQs

- River
 - National Project status
 - Completion target
-

4. Bhogapuram International Airport ★ ★ ★ ★ ★

Key Points

- **Alluri Sitarama Raju International Airport** at **Bhogapuram (Vizianagaram district)** was inaugurated. ([The Times of India](#))
- It is a **Greenfield International Airport**.
- It is expected to boost tourism, logistics, exports, employment, and North Andhra's economy. ([The Times of India](#))

Remember

- Location → Bhogapuram, Vizianagaram
- Type → Greenfield International Airport

Possible MCQs

- Airport name
 - District
 - Airport type
-

5. ₹18,000 Crore Development Projects ☆ ☆ ☆ ☆ ☆

Key Points

- Development projects worth about **₹18,000 crore** were inaugurated or had foundation stones laid in Andhra Pradesh. ([The Economic Times](#))
- Projects include airport, transport, connectivity, and infrastructure works.

Remember

- ₹18,000 crore
 - Infrastructure development
-

6. AP Power Transmission Projects ☆ ☆ ☆ ☆ ☆ (Very Important)

Key Points

- Andhra Pradesh is accelerating **around 60–68 power transmission projects** worth **about ₹5,000 crore**. ([The Times of India](#))
- Objective:
 - Grid strengthening
 - Renewable energy integration
 - Reliable power supply
 - Future demand management

Remember

- Transmission Projects
- ~₹5,000 crore
- APTRANSCO implementation

Possible MCQs

- Investment
- Purpose
- Implementing agency

7. Renewable Energy Push ☆ ☆ ☆ ☆ ☆

Key Points

- Andhra Pradesh is expanding:
 - Solar Energy
 - Wind Energy
 - Pumped Storage
 - Green Hydrogen
- Renewable energy evacuation requires stronger transmission infrastructure. ([The Times of India](#))

Remember

- Renewable + Transmission = APTRANSCO relevance
-

8. Green Industrial Investments ☆ ☆ ☆ ☆ ☆

Key Points

- Andhra Pradesh continues to attract investments in:
 - Renewable energy
 - Manufacturing
 - Electronics
 - Data centres
- North Andhra has been projected as a major investment destination. ([The Times of India](#))

Remember

- Green industries
 - Data centres
 - Manufacturing
-

9. AP Infrastructure Focus ☆ ☆ ☆ ☆ ☆

Major Areas

- Roads

- Railways
- Ports
- Airports
- Industrial Corridors
- Logistics Parks
- Capital Region Development

These remain priority sectors for economic growth. ([The Economic Times](#))

10. AP Power Sector (Exam Favourite) ★ ★ ★ ★ ★

Know these organizations:

- APTRANSCO — Transmission
- APGENCO — Generation
- APSPDCL — Distribution (Southern)
- APEPDCL — Distribution (Eastern)
- APERC — Electricity Regulation

The state's recent emphasis has been on **grid modernization, renewable integration, and transmission expansion**, making this one of the highest-probability areas for APTRANSCO candidates. ([Wikipedia](#))

★ Last Minute Revision (30 Seconds)

- Budget 2026–27 → Infrastructure + Welfare
- Amaravati → Sole Capital
- Amaravati Phase-I → 2028
- Polavaram → National Project
- Polavaram Target → 2027
- Bhogapuram → Greenfield International Airport
- District → Vizianagaram
- Development Projects → ~₹18,000 crore
- Power Transmission Projects → ~₹5,000 crore
- APTRANSCO → Transmission
- APGENCO → Generation
- APERC → Electricity Regulatory Commission
- Renewable Focus → Solar, Wind, Pumped Storage, Green Hydrogen

PART 12B – Power & Energy (Last 6 Months)

APTRANSCO AEE High-Yield Current Affairs (Most Probable)

★ ★ ★ ★ ★ = Very High Probability

1. Ministry of Power – Year-End Review 2025 ★ ★ ★ ★ ★

Key Points

- India's installed power generation capacity crossed **509 GW** (as of Nov 2025).
- Around **55.57 GW** of generation capacity was added during Jan–Nov 2025.
- Renewable energy capacity addition continues to accelerate. ([Press Information Bureau](#))

Remember

- Installed Capacity → **509 GW+**
- Major Focus → Clean Energy

Possible MCQs

- Installed capacity
 - Ministry responsible
 - Renewable growth
-

2. Renewable Energy Expansion ★ ★ ★ ★ ★

Key Points

- India added **54.6 GW renewable capacity** during FY 2025–26.
- Solar contributed **44.6 GW (≈82%)**.
- Wind contributed **6.1 GW**.
- Large Hydro contributed **3.7 GW**. ([Vasudha Foundation](#))

Remember

- Solar = Largest contributor
- Renewable expansion = Record level

3. Green Energy Corridor ☆ ☆ ☆ ☆ ☆

Key Points

- Transmission infrastructure is being expanded to evacuate renewable power.
- Supports solar, wind and future green energy integration.
- One of the highest-priority national transmission initiatives. ([Power Ministry of India](#))

Remember

- Purpose → Renewable Power Evacuation
-

4. Pumped Storage Projects (PSP) ☆ ☆ ☆ ☆ ☆

Key Points

- NHPC is pursuing **17 Pumped Storage Projects** totaling about **20,000 MW**.
- Pumped storage is becoming essential for balancing renewable energy. ([Power Ministry of India](#))

Remember

- PSP = Energy Storage
 - NHPC = Major developer
-

5. Andhra Pradesh Transmission Projects ☆ ☆ ☆ ☆ ☆

Key Points

- Andhra Pradesh is fast-tracking **68 transmission projects** worth about **₹5,000 crore**.
- Objective:
 - Grid strengthening
 - Renewable integration
 - Reliable transmission network ([The Times of India](#))

Remember

- 68 Projects

- ₹5,000 crore
-

6. APGENCO Record Generation ☆ ☆ ☆ ☆ ☆

Key Points

- APGENCO achieved its **highest-ever generation of 6,160 MW**.
- Achievement came during peak summer demand.
- Demonstrated improved operational preparedness. ([The Times of India](#))

Remember

- Record Generation = **6,160 MW**
-

7. AP Power Cost Reduction ☆ ☆ ☆ ☆ ☆

Key Points

- Andhra Pradesh aims to reduce average power purchase cost to **₹4.60/unit**.
- Focus on:
 - Renewable energy
 - Technology adoption
 - Grid efficiency
 - Research in power sector ([The Times of India](#))

Remember

- Target = ₹4.60/unit
-

8. PM Surya Ghar Yojana ☆ ☆ ☆ ☆ ☆

Key Points

- Rooftop solar implementation accelerated.
- Andhra Pradesh reported over **52,000 rooftop connections** and targets faster expansion. ([The Times of India](#))

Remember

- Rooftop Solar Scheme
-

9. PM-KUSUM Scheme ★ ★ ★ ★ ☆

Key Points

- Solarization of agriculture continues.
- Andhra Pradesh has implemented **2.94 lakh** PM-KUSUM connections and is pushing completion of Phase-I. ([The Times of India](#))

Remember

- Farmers + Solar Pumps
-

10. Smart Prepaid Electricity Meters ★ ★ ★ ★ ☆

Key Points

- Andhra Pradesh is rolling out **smart prepaid meters** across government offices.
- Objectives:
 - Financial discipline
 - Energy efficiency
 - Reduced arrears ([The Times of India](#))

Remember

- Smart Meter → Government Offices
-

11. No Electricity Tariff Hike (FY 2026–27) ★ ★ ★ ★ ☆

Key Points

- APERC approved **no increase** in retail electricity tariffs for FY 2026–27.
- Government agreed to absorb the DISCOM revenue gap.
- Commercial tariffs were reduced for certain consumers. ([The Times of India](#))

Remember

- APERC
 - No Tariff Hike
-

12. Tata Power Renewable Project in AP ☆ ☆ ☆ ☆ ☆

Key Points

- Tata Power Renewable Energy began work on an **800 MW renewable energy project** in Andhra Pradesh.
- Supports India's clean-energy transition. ([The Times of India](#))

Remember

- 800 MW
 - Andhra Pradesh
-

13. National Power Demand ☆ ☆ ☆ ☆ ☆

Key Points

- Peak electricity demand is projected around **277 GW**.
- Energy demand expected to grow **6–6.5% annually** over the next few years. ([India Brand Equity Foundation](#))

Remember

- Peak Demand ≈ 277 GW
-

14. AP Power Sector Structure ☆ ☆ ☆ ☆ ☆

Know these organizations:

- **APGENCO** → Generation
- **APTRANSCO** → Transmission
- **APERC** → Regulation
- **APSPDCL** → Southern Distribution
- **APEPDCL** → Eastern Distribution ([Wikipedia](#))

15. Last-Minute Revision (30 Seconds)

- Installed Capacity → **509 GW+**
- Renewable Addition → **54.6 GW**
- Solar Addition → **44.6 GW**
- Wind Addition → **6.1 GW**
- PSP → **17 Projects (~20,000 MW)**
- AP Transmission → **68 Projects (~₹5,000 crore)**
- APGENCO Record → **6,160 MW**
- Power Cost Target → **₹4.60/unit**
- PM Surya Ghar → Rooftop Solar
- PM-KUSUM → Solar Pumps
- Smart Prepaid Meters → Government Offices
- APERC → No Tariff Hike FY 2026–27
- Tata Power AP Project → **800 MW**
- APGENCO → Generation
- APTRANSCO → Transmission
- APERC → Regulation

These are the **highest-probability Power & Energy current affairs** from the past six months for an APTRANSCO AEE exam, with special emphasis on transmission, generation, renewable energy, and Andhra Pradesh-specific developments.

PART 12C – National Current Affairs (Last 6 Months)

Most Probable for APTRANSCO AEE (One-Liner Notes)

★ ★ ★ ★ ★ = Highest Probability

1. Union Budget 2026–27 ★ ★ ★ ★ ★

Key Points

- Presented by **Finance Minister Nirmala Sitharaman** on **1 February 2026**.
- Capital expenditure increased to **₹12.2 lakh crore**.
- Fiscal deficit target: **4.3% of GDP**.
- Focus sectors: Infrastructure, Manufacturing, Semiconductor Mission 2.0, Railways, Energy, MSMEs. ([Wikipedia](#))

Remember

- Capex → ₹12.2 lakh crore
 - Fiscal Deficit → 4.3%
-

2. Economic Survey 2025–26 ★ ★ ★ ★ ★

Key Points

- India's real GDP growth estimated at 7.4%.
 - Continued emphasis on infrastructure-led growth.
 - Manufacturing, clean energy and digital economy identified as key growth drivers. ([Wikipedia](#))
-

3. Draft National Electricity Policy 2026 ★ ★ ★ ★ ★

Key Points

- Released by the **Ministry of Power**.
- Vision:
 - Reliable 24×7 electricity.
 - Renewable integration.
 - Grid modernization.
 - Energy storage.
 - Smart transmission systems. ([Press Information Bureau](#))

Remember

Very important for APTRANSCO.

4. India Semiconductor Mission 2.0 ★ ★ ★ ★ ☆

Key Points

- Announced in Union Budget.
 - Strengthening domestic semiconductor manufacturing.
 - Focus on electronics ecosystem and supply chain resilience. ([Wikipedia](#))
-

5. RBI Monetary Policy ★ ★ ★ ★ ★

Key Points

- RBI continued focus on:
 - Inflation control
 - Financial stability
 - Economic growth
 - Monetary policy remains a favorite exam area.
-

6. Digital India & UPI ★ ★ ★ ★ ★

Key Points

- Continued expansion of digital payments.
 - UPI remains the world's largest real-time payment platform.
 - NPCI continues introducing new digital payment features.
-

7. G20 ★ ★ ★ ★ ★

Remember

- Group of Twenty
 - Focus:
 - Global Economy
 - Sustainable Development
 - Climate Finance
 - Digital Public Infrastructure
-

8. BRICS Expansion ★ ★ ★ ★ ★

Key Points

- BRICS continues expanding global cooperation.
- Focus:
 - Trade
 - Local Currency

- Development
 - Technology
-

9. SCO Summit ★ ★ ★ ☆ ☆

Focus:

- Security
 - Counter Terrorism
 - Regional Connectivity
 - Trade
-

10. QUAD ★ ★ ★ ★ ☆

Members:

- India
- USA
- Japan
- Australia

Focus:

- Indo-Pacific
 - Maritime Security
 - Emerging Technologies
-

11. ISRO – Aditya-L1 ★ ★ ★ ★ ★

Key Points

- Scientific observations continue from the **Sun–Earth L1 point**.
 - ISRO released research opportunities and solar data for scientists.
 - Aditya-L1 supports long-term solar weather research. ([Wikipedia](#))
-

12. ISRO – SPADEX ★ ★ ★ ★ ★

Key Points

- India's Space Docking Experiment.
 - Demonstrates autonomous spacecraft docking.
 - Critical for:
 - Bharatiya Antariksh Station
 - Future human spaceflight
 - Lunar missions. ([Lukmaan IAS](#))
-

13. Gaganyaan ★ ★ ★ ★ ☆

Key Points

- India's first Human Space Mission.
 - Crew training and mission preparations continued.
 - Key step toward India's space station.
-

14. Bharatiya Antariksh Station ★ ★ ★ ☆ ☆

Key Points

- India's proposed space station.
 - First module targeted for launch in 2028.
 - Long-term goal: Indigenous human space infrastructure. ([Wikipedia](#))
-

15. Defence Modernisation ★ ★ ★ ★ ☆

Focus Areas:

- Indigenous defence production
- AI
- Drones
- Space surveillance
- Cyber security

16. Green Hydrogen Mission ★ ★ ★ ★ ★

Key Points

- Supports clean fuel production.
- Reduces fossil fuel dependence.
- Promotes export opportunities.

17. PM Surya Ghar Yojana ★ ★ ★ ★ ★

Key Points

- Rooftop Solar Scheme.
- Encourages household solar installations.
- Supports renewable energy transition.

18. AI & Digital Public Infrastructure ★ ★ ★ ★ ☆

Focus:

- Artificial Intelligence
- Digital Governance
- Cyber Security
- Public Service Delivery

19. Climate & Environment ★ ★ ★ ★ ☆

Important Areas:

- COP meetings
- Net Zero
- Renewable Energy
- Climate Adaptation
- Green Finance

20. Last-Minute Revision (30 Seconds)

- Union Budget → **1 Feb 2026**
- Capex → **₹12.2 lakh crore**
- Fiscal Deficit → **4.3%**
- GDP Growth → **7.4%**
- National Electricity Policy → **Draft 2026**
- Semiconductor Mission **2.0**
- Aditya-L1 → **Sun-Earth L1**
- SPADEX → **Space Docking**
- Gaganyaan → **Human Spaceflight**
- Green Hydrogen Mission
- PM Surya Ghar → **Rooftop Solar**
- QUAD → India, USA, Japan, Australia
- G20 → Global Economy
- BRICS → Expanded cooperation
- Digital India → UPI & DPI

APTRANSCO Focus

If I had to predict **national current affairs most likely to appear**, I'd prioritize these:

1. Union Budget 2026–27
2. Draft National Electricity Policy 2026
3. Green Hydrogen Mission
4. PM Surya Ghar Yojana
5. ISRO (SPADEX & Aditya-L1)
6. India Semiconductor Mission 2.0
7. RBI/Indian economy
8. G20/BRICS/QUAD
9. Digital Public Infrastructure (UPI)
10. Defence & indigenous technology.

PART 12D – Awards, Sports & Important Appointments (Last 6 Months)

Most Probable for APTRANSCO AEE (One-Liner Notes)

Focus only on events with a realistic chance of appearing in APTRANSCO General Awareness.

A. Awards & Honours ☆ ☆ ☆ ☆ ☆

1. Padma Awards 2026

- **Padma Awards 2026** were announced on **25 January 2026**.
- Categories:
 - Bharat Ratna
 - Padma Vibhushan
 - Padma Bhushan
 - Padma Shri ([Wikipedia](#))

2. National Sports Awards

- **Major Dhyan Chand Khel Ratna** remains India's highest sporting honour.
- **Arjuna Award** is given for outstanding performance in sports.
- **Dronacharya Award** recognizes outstanding coaches.
- The **2025–26 National Sports Awards** announcement was delayed, making it a possible current-affairs question. ([The Times of India](#))

3. TIME Women of the Year 2026

- **Safeena Husain** (Founder, Educate Girls) was named in **TIME Women of the Year 2026**. ([Testbook](#))
-

B. Sports ☆ ☆ ☆ ☆ ☆

1. Commonwealth Games 2026

- Venue: **Glasgow, Scotland**
- India finished with **39 medals (13 Gold, 17 Silver, 9 Bronze)**.
- India will host the **2030 Commonwealth Games** in **Ahmedabad**. ([The Times of India](#))

2. Neeraj Chopra

- Received the Commonwealth Games flag on behalf of India during the closing ceremony for the 2030 host handover. ([The Times of India](#))

3. Mirabai Chanu

- Returned with medals from the Commonwealth Games and remained one of India's leading weightlifters. ([The Times of India](#))

4. Major Sports Events in 2026

Remember:

- Commonwealth Games – Glasgow
 - Asian Games – Aichi–Nagoya (scheduled)
 - Men's T20 Cricket World Cup – India & Sri Lanka (scheduled) ([Wikipedia](#))
-

C. Important Appointments ☆ ☆ ☆ ☆ ☆

These are **must revise**, even if there has been no recent change:

- President of India – **Droupadi Murmu**
 - Vice President of India – **Jagdeep Dhankhar**
 - Prime Minister – **Narendra Modi**
 - Chief Justice of India – **B.R. Gavai**
 - RBI Governor – **Sanjay Malhotra**
 - ISRO Chairman – **V. Narayanan**
 - DRDO Chairman – **Samir V. Kamat**
 - Chief Election Commissioner – **Gyanesh Kumar**
 - Andhra Pradesh Governor – **S. Abdul Nazeer**
 - Andhra Pradesh Chief Minister – **N. Chandrababu Naidu** ([Wikipedia](#))
-

D. Last-Minute Revision (30 Seconds)

- Padma Awards → **25 January 2026**
- Khel Ratna → Highest Sports Award
- Arjuna Award → Outstanding Sportsperson
- Commonwealth Games 2026 → Glasgow
- India → **39 Medals**
- 2030 Commonwealth Games → Ahmedabad
- President → Droupadi Murmu
- Prime Minister → Narendra Modi
- Chief Justice of India → B.R. Gavai
- RBI Governor → Sanjay Malhotra
- ISRO Chairman → V. Narayanan
- DRDO Chairman → Samir V. Kamat
- AP Governor → S. Abdul Nazeer
- AP Chief Minister → N. Chandrababu Naidu

For APTRANSCO, this section is **lower priority than Power & Energy or AP Current Affairs**, but **1 question** from Awards, Sports, or Appointments is quite common in recruitment exams, making these the highest-yield facts to revise.

PART 12B – Power & Energy (National) – Last 6 Months

Most Probable for APTRANSCO AEE (High-Yield One-Liners)

★ ★ ★ ★ ★ = Very High Probability

1. India's Installed Power Capacity ★ ★ ★ ★ ★

- Installed power capacity crossed **530 GW**.
- India is the **3rd largest producer and consumer of electricity**. ([Wikipedia](#))

2. Renewable Energy Capacity ★ ★ ★ ★ ★

- Renewable sources contribute **more than 50% of installed power capacity**.
- India ranks **3rd in renewable** and **3rd in solar capacity** globally. ([Wikipedia](#))

3. Solar Power ★ ★ ★ ★ ★

- Solar remains the largest contributor among newly added renewable capacity.
- Government continues rapid expansion of utility-scale and rooftop solar. ([Wikipedia](#))

4. Green Energy Corridor ★ ★ ★ ★ ★

- Developed to evacuate renewable power from solar and wind parks.
- Strengthens interstate transmission network.

5. Energy Storage ★ ★ ★ ★ ★

- Around **47 GW Battery Energy Storage Systems (BESS)** and **23 GW Pumped Storage Projects** are under development. ([The Times of India](#))

6. Pumped Storage Projects ★ ★ ★ ★ ★

- Essential for balancing renewable energy.
- Major expansion planned nationwide. ([The Times of India](#))

7. Green Hydrogen Mission ★ ★ ★ ★ ★

- Promotes green hydrogen production.

- Reduces dependence on fossil fuels.
- Supports Net-Zero goals.

8. PM Surya Ghar Yojana ★ ★ ★ ★ ★

- Rooftop solar scheme for households.
- Promotes distributed solar generation.

9. National Electricity Policy (Draft 2026) ★ ★ ★ ★ ★

- Focus:
 - 24×7 reliable power
 - Grid modernization
 - Smart transmission
 - Renewable integration
 - Energy storage

10. Smart Grid Modernization ★ ★ ★ ★ ☆

- Digital substations
- Smart meters
- SCADA expansion
- Grid automation

11. Peak Electricity Demand ★ ★ ★ ★ ☆

- National peak demand projected around **270–277 GW**. ([Reuters](#))

12. Coal-Based Generation ★ ★ ★ ★ ☆

- Coal remains India's largest electricity source despite renewable growth.
- Around **70% of electricity generation** still comes from conventional sources. ([Wikipedia](#))

13. Renewable Generation Record ★ ★ ★ ★ ☆

- Solar and wind generation crossed **100 GW** during peak daytime in July 2026. ([The Times of India](#))

14. National Grid

- Operated by **Grid Controller of India Ltd. (GRID-INDIA)**.

15. Important Organizations ★ ★ ★ ★ ★

- **MNRE** – Ministry of New and Renewable Energy
 - **MoP** – Ministry of Power
 - **CEA** – Central Electricity Authority
 - **CERC** – Central Electricity Regulatory Commission
 - **GRID-INDIA** – Grid Controller of India Ltd.
 - **NTPC** – National Thermal Power Corporation
 - **NHPC** – National Hydroelectric Power Corporation
 - **PGCIL (POWERGRID)** – Power Grid Corporation of India Ltd.
 - **SECI** – Solar Energy Corporation of India
 - **IREDA** – Indian Renewable Energy Development Agency
-

Last-Minute Revision

- Installed Capacity → **530 GW+**
- India → **3rd largest electricity producer**
- Renewable Capacity → **50%+ installed capacity**
- Green Energy Corridor
- Green Hydrogen Mission
- PM Surya Ghar
- BESS → **47 GW pipeline**
- Pumped Storage → **23 GW pipeline**
- Peak Demand → **270–277 GW**
- Solar & Wind → **100 GW generation milestone**
- Coal → Major source of generation
- CEA, CERC, MNRE, NTPC, NHPC, POWERGRID, SECI, IREDA, GRID-INDIA

These are the **highest-probability national Power & Energy current affairs** for APTRANSCO AEE, with emphasis on transmission, renewable integration, storage, and major power-sector organizations.

For **APTRANSCO AEE**, don't try to memorize every scheme. Focus on **15–20 flagship schemes** because recruitment exams usually ask **scheme → beneficiary → objective → department**.

1. Annadata Sukhibhava ★ ★ ★ ★ ★

Department: Agriculture

Objective

- Financial assistance to farmers.
- Improve farm income and reduce cultivation burden.

Beneficiaries

- Eligible farmer families.

Remember

- Farmer welfare
 - Agriculture support ([GSWS Helper](#))
-

2. Deepam-2 ★ ★ ★ ★ ★

Department: Civil Supplies

Objective

- Free/subsidized LPG cylinders for eligible women.

Beneficiaries

- Eligible women beneficiaries.

Remember

- LPG
 - Women
 - Household welfare ([GSWS Helper](#))
-

3. NTR Vaidya Seva ★ ★ ★ ★ ★

Department: Health

Objective

- Cashless treatment for poor families.
- Covers major surgeries and serious diseases.

Beneficiaries

- Eligible BPL families.

Remember

- Health Insurance
 - Cashless Treatment ([Wikipedia](#))
-

4. Talliki Vandanam ★ ★ ★ ★ ★

Objective

- Financial assistance to mothers for children's education.

Remember

- Mother
 - Education
-

5. NTR Bharosa Pension ★ ★ ★ ★ ★

Objective

- Monthly social security pension.

Beneficiaries

- Old age
- Widow
- Disabled
- Other eligible vulnerable groups.

Remember

- Pension Scheme ([Policybazaar](#))
-

6. PM Surya Ghar (Implemented in AP) ★ ★ ★ ★ ★

Objective

- Rooftop Solar

Department

- Energy

Remember

- Solar
 - Household Electricity
-

7. PM-KUSUM ★ ★ ★ ★ ☆

Objective

- Solar pumps
- Solarization of agriculture

Remember

- Farmers
 - Solar Pumps
-

8. Jal Jeevan Mission ★ ★ ★ ★ ☆

Objective

- Functional tap water to every rural household.

Remember

- Drinking Water ([GSWS Helper](#))
-

9. Ayushman Bharat ★ ★ ★ ★ ☆

Objective

- Health insurance.

Remember

- National Health Scheme

10. Digi Lakshmi ★ ★ ★ ☆

Objective

- Promote digital empowerment and financial inclusion.

([GSWS Helper](#))

11. Auto Driver Sevalo ★ ★ ★ ☆

Objective

- Financial support to auto/taxi drivers.

([GSWS Helper](#))

12. BC/SC/ST Corporation Self-Employment Schemes

★ ★ ★ ★ ☆

Objective

- Loans and subsidies for self-employment.

Implementing Portal

- AP OBMMS

([AP OBMMS](#))

13. Zero Poverty – P4 Initiative ★ ★ ★ ★ ☆

Objective

- Poverty eradication through public-private-people partnership.

([iGOD](#))

14. Paddy Procurement System ★ ★ ★ ☆

Objective

- Digital procurement of paddy from farmers.

([iGOD](#))

15. D-Krishi ★ ★ ★ ☆

Objective

- Aadhaar-enabled seed distribution system.

([iGOD](#))

Highest Probability for APTRANSCO

1. Annadata Sukhibhava
2. NTR Vaidya Seva
3. NTR Bharosa Pension
4. Deepam-2
5. Talliki Vandanam
6. PM Surya Ghar
7. PM-KUSUM
8. Jal Jeevan Mission
9. BC/SC/ST Self Employment
10. Zero Poverty (P4)

These are the schemes I'd prioritize because they are either major Andhra Pradesh welfare initiatives, directly linked to infrastructure and energy, or have high visibility in recent state governance. They offer the best return for APTRANSCO General Awareness preparation.
